

COVID-19 expectations of instructors and students:

- Instructors will arrive no later than 30 minutes prior to their scheduled class(es)
- Students are to arrive no earlier than 15 minutes prior, or later than 5 minutes before, to their scheduled class(es)
- Students will line up outside their assigned entrance door with 6 feet between them.
- Students are to arrive wearing a facemask and to keep it on.
- As the waiting room and lobby are closed, no parents are allowed to enter the building.
- Instructor will be at their entrance door and will ask each student health related questions.
- Instructor will take the temperature of each student.
- Hand sanitizer will be used before going to studio/classroom.
- Instructors will wear facemasks while teaching, stay 6 feet away from students and ensure all students abide by the social distancing requirements while in your class. The classroom floor will be marked accordingly.
- The barres, door handles, and light switches will be wiped down before and after every class.
- Each classroom will be cleaned with UV lamps each night after classes are over.
- No student is allowed to go out of their studio/classroom without permission.
- Bathroom breaks are limited to emergencies only (one person dismissed at a time).
- No use of the public water fountain
- Dressing rooms are closed – no student allowed in dressing rooms.
- Students are to bring their own water bottle along with a light snack if multiple classes are scheduled.
- Since class size is very limited, when a class is filled an alternate class will be offered if possible.
